Re: **Proposed Ordinance to change a portion of I / PI Industrial / Planned Industrial to R-1 District.**

Introduction

The existing I / PI Industrial / Planned Industrial Area District east of Mill Road is bounded by the R 1 Residential District to the north and east, the Conservation District to the south and existing residential uses to the west across Mill Road in the I / PI District. The area in question has no Industrial uses. A large portion of this area is state regulated freshwater wetlands and coastal wetlands.

The following proposed Ordinance to change a portion of the I / PI Industrial / Planned Industrial Area District to R 1 District is submitted for review and comment. This ordinance was composed based on discussions with the Planning Board Master Plan Committee members, Planning Board members at numerous meetings while preparing the 2005 Reexamination of the Master Plan. At those meetings we discussed components of the Reexamination Report and the proposed ordinance. This proposed ordinance is consistent with and the 2005 Reexamination Report. of the Master Plan.

Upon review and approval by the Planning Board the following proposed ordinance should be referred to City Council with findings that it is consistent with the Master Plan and recommend it be adopted.

NJSA 40:55D-26a states (in part) that Aprior to the adoption of a development regulation, or amendment thereto, the Planning Board shall make and transmit to the governing body, within 35 days after referral, a report including identifications of any provisions in the proposed development regulation, revision or amendment which are inconsistent with the Master Plan and recommendations concerning these inconsistencies and any other matters as the Board deems appropriate. Because this proposal originated at the Planning Board and the proposal is consistent with the Master Plan and this proposal is being referred to City Council with the statement that it is consistent with the Master Plan, the City Council does not need to refer it back to the Planning Board prior to final adoption.
